Christmas: The Truly Life-Changing Gift

TV commercials, especially during the Christmas season, make it sound like whatever they are selling is just what you need to change your life for the better. "Buy this product and all your troubles will be over!" Never has that statement ever been true about a product. While most of us do plan on buying or making gifts for people this year, may we always know that only one gift can truly satisfy. The gift that God gave to the world on that first Christmas day truly is the Greatest Gift. That baby born in the manger, the Son of God who became man, Jesus truly is the best life-changing gift we could ever get.

May we never grow too old for the joy and fun of Christmas, and may we never get past the amazing gift that Jesus is. We were lost in our sin and God provided the Savior that we needed, just like He always provides the things that we need. May you each know deep within your heart the life-changing love and blessings of Jesus. Have a safe and wonderful Christmas and holiday season.
